

Watership Down Health

April 2022 in Numbers

We continue to see patients Face to Face and provide additional capacity through new digital consulting solutions. Please be aware we are now sending appointment reminders through MJOG. Patients with smart phones who no longer want their appointment can cancel via the reminder text they will have been sent.

Current patient list size: 18,671

Total number of consultations in the last month: 7,905

Our receptionists took a total of 11,518 incoming calls (nearly 600 per day!)
