If so, then come along to our Home and Well Hubs
for our Carers Community.**

In partnership with SGN we will be holding Home and Well Hubs across the county for information, support and advice on how to save money and keep warm this winter.

Meet other carers in your area, enjoy a warm lunch and activities. You can also bring the person you care for with you.

Debt support and advice to make sure you're receiving all the benefits you're entitled to. Priority services register – are you signed up to get support if there's a power cut or gas leak? Get help with your energy bills. Have a chat with our energy experts.
