

It is a Learning Disability Awareness Week!

17- 23 June 2024

The theme for this year's Learning Disability Week is "Do you see me?"

"Do you see me?" is about challenging the barriers people with a learning disability face. What will you do to help?

Do you have a learning disability?

Are you over 14 years old?

You can have a free health check with a doctor, nurse or another healthcare worker.

Please speak to your doctors' surgery to find out more.

Do you have a learning disability?

Are you 14- 17 years old?

You can have a free health check at your doctor's surgery.

Benefits of an annual health check

 You can build your confidence of going to the surgery
Undetected health needs can be picked up early
GP's and practice staff can get to know YOU when you are well.
And more!

Have you had your annual health check?

Action Plan ✓

Do you have a Learning Disability? ✓

Visit your doctors' surgery and ask to speak to the Learning Disability Champion. They can check if you are on a **learning disability register**.

NHS

Do you have a Learning Disability?

Learning Disability Awareness Week
17 -23 2024
Will you support me?

Do you need reasonable adjustments?

For example:

- Information in accessible format (easy read)
 - Longer appointment
 - Support from your carer
- For us to talk your carer when making appointments

Speak to your doctor's surgery.

SENSORY AND COMMUNICATION BOX

AVAILABLE HERE

Designed to support people with a learning disability and / or autism

If you would like to use any items from the box during your visit today, please speak to Reception

Do you want to use the sensory and communication box at your doctors' surgery whilst:

- Waiting in the waiting room?
- During your appointment?

Speak to reception staff.
