

Phlebotomy Outpatients

Temporary Service Change

13-20 October 2025

From **13 to 20 October 2025**, please be aware there will be a significantly reduced Phlebotomy service. Appointments will only be available for patients needing **urgent** blood tests.

These will only be bookable via the telephone line - 01256314751 - to allow us to confirm test urgency. We expect additional demand during that time and apologise if you experience any delay in us answering your call.

Thank you for your understanding.
